FARZ FOUNDATION - HELPING HEALING AND CARING

SWAPNIL AND ATHARVA VYAS

Farz Foundation believes that to bring about a greater change, one needs to start from the grass root level by being sensitized towards the challenges of the underprivileged. It is rare to find individuals with such ideology in the contemporary materialistic world! Contributing our part to the society, Farz started working for re-establishing "Farz foundation" - a social service NGO founded in 1991 reborn actively in 2019 and is now actively involved as a permanent member/coordinators of the central ideology "It is not enough to be

compassionate. You must act."

Farz Foundation has been catering to more than 18 objectives (as per the need of the hour), from cloth drives to food drives and now to serving the needful during this pandemic. With our heart in and a strong resolution to execute our objectives, we have conducted a number of drives so far. Also, we have been conducting open mic shows like "Art by Heart" dedicated to sharing a few moments of joy for the physically special individuals.

Shed Legal is a legal education portal, a start-up by 4 students aiming to create a platform for legal students to receive the knowledge they seek. An initiative focused at meeting the never ending quest for study material for law students has now become a collective effort in bringing together relevant educational material for the students. When the four creative minds of IIL met, the aim changed from providing mere knowledge to creating a space for

students to speak about subjects that matter to them; hence Shed Legal now has a dedicated blog and interview section. Currently, Shed Legal posts notes, news updates, basic legal facts, preparation materials and much more. The positive responses from students keep Shed Legal motivated to bring relevant information right on the silver platter.

Recruitment Process

The Recruitment Co-ordination Committee ("RCC") has formulated the rules as stated below to facilitate the

process to ensure optimal flexibility to the Recruiters. The recruitment process can be seen as a step-by-step process.

Step One: Initial Communication with the Recruiter

The RCC shall send invitations to the organizations along with the placement brochure and relevant information. Alternatively, an organization may send description of the potential career opportunities to placements@indoreinstituteoflaw.org

Step Two: Pre-placement Talk/ Induction

Recruiters are encouraged to conduct Pre Placement Talks (PPT) for interested students in the University giving important information such as the profile of the organization, career prospects, compensation packages, etc. These PPTs may be conducted at any time before the Pre Interview Screening.

Step Three: Pre-interview Screening Process

Recruiters may conduct a Pre-Interview Screening Process including group discussions any time before the interview day. Recruiters are free to determine their own policy for the Screening Process to shortlist students. In case the Recruiter has no particular method of Pre Interview Screening, the Curriculum Vitae of all interested students shall be forwarded to the Recruiter.

Step Four: Final Interview

The Recruiter shall formulate a Final Interview List subsequent to the completion of the Pre-Interview Screening Process and the same shall be communicated to

the RCC at least 48 (forty-eight) hours prior to the interview along with the list of Waitlisted Candidates.

In case any Applicant who is selected in the Final Interview List is not available for the interview then the Recruiter can interview the Waitlisted Candidates instead, if the Recruiter considers this appropriate. In case the Recruiter has no procedure for Pre Interview Screening, the list of interested students shall automatically become the Final Interview List

Step Five: Disclosure Of Offers

The results will be declared simultaneously by the RCC at the end of the day to ensure that no Recruiter is prejudiced. The Recruiters will be required to disclose the results of their Final Interviews and any Offer made to Applicant(s) only through the RCC which will be communicated in a sealed envelope.

The Recruiters will be requested to disclose a waitlist along with the final offers. In the event of overlapping offers, the waitlisted candidates will become eligible for final offer from the Recruiter, if the Recruiter considers this appropriate. Every offer made by the Recruiter will be communicated solely by the RCC to the Applicant to whom such offer was made. The RCC will revert to the Recruiter within 24 hours of receiving the sealed envelope containing the Merit List and the Waitlist. At no point of time will there be any communication between the Recruiter and the Applicant(s) in relation to the Offer.
